

## Information for Leaders/Moderators

Please dial into the meeting using the Free Conference Call number (605.313.5104) and enter access/pin code 74951 followed by an asterisk (instead of the # sign). This will allow you to perform certain functions, including:

- Count the participants that are on the call (Press \*2)
- Mute the entry/exit chimes (Press \*8)
- Mute the entire line except for leader/moderator (Press \*5 – note complete instructions in the graphic below)

The graphic below describes the different feature keys.

To access the different Feature Keys when in a call, simply press the corresponding keys below - it is required that a caller enters a star (*) key before the desired feature key.
